The BHA needs volunteers!! Really in need of a financial person for Treasurer. Duties and responsibilities were outlined in my letter in the July Buccaneer Newsletter. If you can balance numbers, make deposits, be bonded and other responsible duties as outlined in our By-Laws, please contact any BHA Board member.

Greetings everyone:

Well, here we are three (3) months into "hurricane season," and so far, so good! Only three (3) more months to go. Let's pray these last few months will be as calm as the first ones. Be sure to review the July issue of the Buccaneer Newsletter regarding hurricane shelters and important phone numbers.

Thanks to all who made the BHA 4th of July Potluck a success. We certainly had a great time. Also, check the July newsletter for proudly displaying our American flag.

Reminder to protect our pets from the heat. If the pavement is too hot for you to walk barefoot, then it is too hot for our loveable 4-legged friends. See page 17 of this issue for more information.

I would like to remind you about the "No Parking of Golf Carts" signs on the grass around the front pool. Some people feel they are entitled to do so. Remember, this is an ELS rule – you may get fined!

On a happier note, we are looking forward to the return of monthly breakfast and lunch beginning in August and in September an End of Summer picnic.

Don't forget our regular community activities making Buccaneer Estates a "great Community" to be a part of.

**Micki Erwin,
BHA President**

A letter about changes from Sue Held

Dear Buccaneers Residents

I am writing this letter to all our residents re: Entertainment /Events that are being scheduled. We again have a change in positions pertaining to Event Chairman. Jane Hagner has resigned from this position due to conflicts with her work schedule. The Board would like to thank Jane for her volunteering these past few weeks.

As a result, I'm Back!

I have taken back this position for now. When our next Board Meeting is scheduled, they will vote on this position and as a result we can move on to bigger and better (new) events. This is where you, the residents come into the picture.

I am looking for new event ideas. What you would

like to see take place. Our demographics have changed, new residents moving in. I so wish it could be like the Community used to be. Busy..busy..busy. So many events taking place that you didn't know what to choose from.

Oh, The Good Old Days.

If you choose to voice your opinion, I would be happy to listen. Discuss costs, location, if it could be achieved. After much thought, I have decided to put a box in the Clubhouse with a form to be filled out with any requests and or suggestions. I will read them all and report in the September issue of Buccaneers News what I received.

I look forward to new ideas and suggestions.

Thank you for your time.

What if you chose not to Evacuate . . .

The Lee County Emergency Operations Center (EOC) and North Fort Myers Fire District has asked your CERT Team to help them identify residents who choose to stay in place when a Mandatory Evacuation order is issued by Florida State officials for manufactured homes or homes in the evacuation zone is given. A mandatory evacuation order may be ordered when high winds are expected as with a hurricane. **IMPORTANT:** EMS, the Sheriff's Department and Fire Department will not respond to 9-1-1 calls when sustained wind reaches 40 miles per hour.

Our solution is to have residents who choose to stay in place complete a short form that is included below to one of the CERT Team members or HOA (Home Owners Association). This information may be used by First Responders to expedite rescue response time after a disaster.

Please plan ahead. If evacuation is ordered and if your decision is to stay, complete and submit the attached form below:

A mandatory Evacuation has been issued for Lee County residents. I have chosen to disregard this order and will be staying in my home. I understand that emergency services may not be available to me.

Name _____

Address _____

Emergency Phone Number _____

A HOME/OK sign will be given when the paperwork is turned in. Buccaneer residents should return this form to Past President/CERT representative Art Harris, 304 Bluebeard Drive, at Monday Coffee or to any BHA Board Member.

Protect your pets in our extreme summer heat

Do not leave them in car even with windows cracked for ventilation.

Keep paws off hot pavement. Most dogs rely on their paws vent excess heat in their bodies.

Watch for signs of heatstroke which include heavy panting, glazed eyes, a rapid heartbeat, difficulty breathing, excessive thirst, lethargy, fever, dizziness, lack of coordination, profuse salivation, vomiting, a deep red or purple tongue, seizure and unconsciousness.

Immediately move your pet into the shade or an air-conditioned area. Apply ice packs or cold towels to their head, neck and chest or run cool (not cold) water over them. Let them drink small amounts of cool water or lick ice cubes. Take them directly to a veterinarian.
