President's Corner

Joe D'Adamo
609-425-3890

As we move into April, our community is entering a time of change. A new Board will soon begin its term. This brings new ideas while we continue the steady work of caring for our neighborhood.

One of the Board's most important duties is financial stewardship. We have brought required state and federal filings up to date and made a few changes to help provide financial stability for the rest of the year. Much of this work happens behind the scenes, but it is key to keeping our community strong.

A strong neighborhood also depends on resi-

dent involvement. Attending meetings, sharing ideas, and staying informed all make a difference. Leadership transitions are a good time for residents to reconnect and help shape the future of our community. On Saturday, April 11, residents are invited to the clubhouse to meet the members of the Board as they step into their new roles.

We would also like to invite residents to the first CERT (Community Emergency Response Team) meeting. It will be held at 7 p.m. Monday, April 13, at the clubhouse. This is a great opportunity to learn how to help our community prepare for emergencies and support one another when it matters most.

Thank you to all residents who give their time and support. We look forward to a smooth transition and continued progress together.

Respectfully,

Joe D'Adamo
President

Start Up CERT Monthly meetings will start 7 p.m. Tuesday, April 14 in the Clubhouse

Hello Buccaneer Residents;

Harris and Ann Press.

The “Community Emergency Response Team” (CERT) program is a nationally supported, locally implemented initiative that teaches people how to better prepare themselves for hazards that may affect their communities.

About a year ago we had assembled a list of prospective members, about 18 in all, when things became busy. Ann and I would like to get going again with your help before our snow birds leave for the season.

CERT trains you in basic disaster response skills such as team organization, disaster medical operations, fire safety, and light search and rescue to assist your families and neighbors.

If current members or prospective members would like to be a part of this great organization, JOIN US, or please contact me at [“ah8983902@gmail.com”](mailto:ah8983902@gmail.com) to sign up.

Your CERT team is in the process of re-vamping the CERT Program here in the Buccaneer community. Your current leaders are Art

There are many programs for you to learn about so that you can assist your neighbors if we have another natural disaster:

For Example: For a few Programs & Training

- ◆ Fire Extinguishers
- ◆ CPR (certification or free)
- ◆ Stop the Bleed
- ◆ Crowd Management
- ◆ Weather Seminar
- ◆ Safety Seminar with Smoke Alarm Install
- ◆ Smart Step
- ◆ Radio Exercise

Respectfully, Art Harris, Ann Press, Co-Leaders

Committee Reports

MIDWEST COMMITTEE

The Midwest Committee's 4th Annual "Bye, Bye SNOW Birdies" Dinner and Dance was held on Sunday, March 15 and was the biggest one ever! "CHASING SUNSETS" again provided excellent entertainment with various genres of music – something for everyone! The food purchased by Michelle in the ELS Office from Jessie Jay's OFF THE BONE BBQ consisted of pulled pork or chicken with baked beans and mac and cheese. Many, many thanks to the many volunteers who assisted in set up and the cleanup and especially to Bill Reimer and Debbie Perro-ne who assisted with the actual serving of the meals to the guests.

The monthly meeting planned for Monday, March 23, consisted of a business meeting only. The April meeting will be held on Monday, April 27, at 5 p.m. in the Hospitality House. A pizza party is being planned that will necessitate obtaining tickets to attend. There will be no charge for members. Contact Kay Cook (317-443-8857) for tickets after April 15.

Monthly meetings for the Midwest Committee are on the fourth Monday of each month from October through May at 5 PM unless otherwise so advised. All residents of Buccaneer Estates are welcome to join.
