President's Corner Chris Follis

609-425-3890

May, a month of new board members of our BHA also wishing safe travels to all our seasonal residence and looking forward to their return.

First, I would like to thank Joe D'Adamo for stepping in as our President and Treasurer taking the reins of our BHA and "righting the ship" of our board relative to procedure and finances.

As your new Board President of our BHA, I wanted to provide everyone with some of my back story, introduce our new board members and provide at a high level an overview around some of our goals going forward while providing our various May meeting dates.

I have been a resident of Buccaneer Estates for eleven years and have been retired since 2013. I have no social media accounts and only utilize email and cell service.

Our new board members are as follows:

Chris Follis President, Kay Cook Vice President, Viki Mullin Secretary, Rachel Masse Treasurer, Annalee Krasny Director and Joe D'Adamo stay-

ing on as a non-voting "ex officio" to help with transition, processes, etc.

As this new board takes hold please understand that many of us are new to this type of role and there will certainly be a learning curve for many of us as we make every effort to improve all aspects of the community and subsequently our residence.

Part of our initial goals will be to establish a good working rapport with our ELS partners, work to secure good valid commitment dates on the various open projects still to be completed here in our community and to keep open ongoing communications with both ELS as well our community at large.

Please remember that we are ALL volunteers working together to improve our community and therefor we will expect the same respect as you would expect from us your board.

Our May board meetings will be held on May 4 at 9:30 a.m. and again on the 18 at 7 p.m. at the Hospitality House and our final slated Homeowners meeting will be held on May 11 at 7 p.m. at the Club House returning again with planned meetings in September.

Respectfully,

Chris Follis
President

Celebrate America's 250th Birthday

**FRIDAY JULY 3rd and
SATURDAY JULY 4th
2026**

Dear All Buccaneer Residents

With America's 250th Birthday taking place in July, Our ELS Management has approved a 2 day Celebration.

We are in the planning stages as of this writing. A Committee of nine residents have volunteered their time for the success of this event. What we have confirmed to date: The celebration will take place at the new pool area July 3rd and 4th. Live Music has been confirmed for both dates. Parking will not be an issue due to the space available. Street Dance both nights. Give aways, raffles, BYO beverages (NO GLASS!!!) Residents only.

This is a FREE EVENT sponsored by our ELS Team.

Grand Golf Cart Parade! Have your batteries charged as ALL streets in Buccaneer will be covered on Friday, July 3rd.

Also in the planning stages is a three best decorated homes competition that will be independently judged.

More info will follow as our Committee confirms and secures more vendors for planned events for that weekend.

We will update any new info at Monday Coffee in coming weeks.

We are hoping to make this the best Celebration Buccaneer Estates has ever been a part of.
In closing, what better event to celebrate!!!

God Bless America!!!
Happy Birthday!!!

Find a safe place to shelter in a hurricane

There are two shelters near Buccaneer: The NORTH FORT MYERS RECREATION CENTER, 2000 Recreation Way. It is behind the North Fort Myers Library across the street from Buccaneer Estates.

The second nearby shelter is at the NORTH FORT MYERS ACADEMY OF THE ARTS, at 1856 Arts Way. It is north of Buccaneer off Laurel Lane going east and Garden Street to the north.

Category 1: Very dangerous winds will produce some damage. Well-constructed homes could have damage to roof, shingles, vinyl siding and gutters. Large branches of trees will snap and shallowly rooted trees may be toppled. Extensive damage to power lines and poles likely will result in power outages that could last a few to several days.

Category 2: Extremely dangerous winds will cause extensive damage. Well-constructed frame homes could sustain major roof and siding damage. Many shallowly rooted trees will be snapped or uprooted and block numerous roads. Near-total power loss is expected with outages that could last from several days to weeks.

Category 3: Devastating damage will occur. Well-built frame homes may incur major damage

or removal of roof decking and gable ends. Electricity and water will be unavailable for several days to weeks after the storm passes.

Category 4: Catastrophic damage will occur. Well-built frame homes can sustain severe damage with loss of most of the roof structure and/or some

exterior walls. Most trees and power poles will isolate residential areas. Power outages will last weeks to possibly months. Most of the area will be uninhabitable for weeks or months.

Category 5: Catastrophic damages will occur. A high percentage of framed homes will be destroyed with total roof failure and wall collapse. Fallen trees and power poles will isolate residential areas. Power outages will last for weeks, possibly months. Most of the area in a Category 5 will be uninhabitable for weeks or months.

Termites are "silent
destroyers" by chewing
through wood undetected.

Bedbugs are very good
"hitch-hikers" because
WE spread them!
