June is here and most of our seasonal residents have left to go back North. I hope they and all our community have a good safe summer! During our May 11th Homeowners meeting we reviewed some of the key points we discussed with Michelle and her team at our preliminary "touch base" meeting held on April 23rd.

For those of you who could not attend our meeting here are some of the key take aways:

The gates are approximately 95% ready for final testing and deployment; much of the delay was caused by the introduction of the new phone systems which called for a new configuration relative to the gate call system but again close to residential deployment.

The final permits from Lee county relative to the mailbox deployment and perimeter fencing was received late in April, the initial work to deploy the new mail boxes has begun as ELS will now be looking at securing installation of our fence helping with continued improvement in our overall security.

Any damage to our gates will be ultimately the re-

sponsibility of the person causing the damage; the costs could range anywhere from \$5,000 to \$20,000.

ELS is working with our new landscaping company working to improve the cutting and trimming expectations. The company has different teams doing separate and specific functions such as cutting, trimming, blowing the clippings etc.

Our secretary Viki Mullin has agreed to be our events coordinator & SPOC, she will work to ensure that any requests are filled out correctly prior to sending to Michelle and her team and will receive approval confirmation and/or need to amend. Please utilize Viki for your request to ensure timely and accurate approval.

I would also like to thank Paul Brooks for running our monthly golf outing for the past few years. As Paul will be vacating that role, we have quite a few vacancies relative to volunteer positions come this fall. Hopefully folks will review these vacancies and look to possibly fill some of these roles.

Here's hoping everyone has a great summer, stay safe and as I will not return to our community until early September please reach out to Kay Cook for any immediate concerns or issues. Kay can be reached either by phone 317-443-8857 or via email Patriotnews1995@gmail.com.

Our next scheduled Homeowners meeting will be Monday, September 14th. At 7 pm in our club house.

Special Needs Shelters

Special needs shelters are for those with disabilities or who require medical care that exceeds basic first aid. Preregistration is important so emergency responders can ensure space is reserved for those with the greatest need. The Special Medical Needs Shelter Program is available to all Lee County residents at no cost.

TO QUALIFY FOR THE PROGRAM, RESIDENTS MUST:

- Require special medical needs with care that exceeds basic first aid provided at most shelters
- Have dependence on oxygen, or require electricity for medical equipment as determined eligible by the Florida Department of Health (DOH).

[Register](#) for the county's Special Medical Needs Shelter.

Registration **does not** guarantee you will be assigned a space in the Special Medical Needs Shelter.

Your application will be reviewed by the ODH and, if approved, you will be assigned to a shelter where your needs can be managed.

The registration with the Special Medical Needs Shelter is **not** a reservation at the shelter as space is limited.

Financial Report - Rachel Masse

President's Report - Chris Follis

Old Business The residents were aware of a meeting to be held between the new board and ELS. Residents want a list of goals the board is attempting to achieve by the September Homeowner's meeting.

New Business

The following items were discussed with ELS in a meeting held on April 23, 2026. This meeting was attended by ELS (Michelle, Tracie, and Scott) and BHA board members (Chris and Viki).

COMMUNICATION: ELS will meet with BHA board members quarterly, 24 hours prior to the scheduled meeting a list of questions and issues to be discussed will be sent to ELS. ELS is also requesting a list of board members attending the meeting. ELS is requesting one person from the board be designated to handle all communications with ELS.

GATES: The new phone system changed how the gate system worked and had to be changed. The new gate system is close to completion, around 95% complete at this time. There are cameras at the gates that monitor all traffic coming and going. Anyone hitting or damaging a gate will be contacted, the cost is between \$5,000 and \$20,000 depending on which gate was hit and the extent of the damage. If the homeowner does not have vehicle insurance to cover the repair and they refuse to pay for the damages then they will be given a 7 day notice to pay. After that a 30 day eviction notice will be issued and the amount of the repair added to their ledger.

MAILBOXES: The permits for the new mailboxes and the back area fencing were linked into one project. Those permits were received 2 weeks ago and the work has already begun on the new mailboxes and fencing. Once the mailboxes are installed and the keys given out, ELS will be responsible for the removal of the old mailboxes and they will also cap the electrical connections.

EVENTS: ELS is OK with event requests being given to the event coordinator first, the event coordinator will

review the form to ensure it is filled out properly then submit it to ELS for final approval. In the event that ELS receives an event request form first, they will provide a copy of the approved form to the event coordinator. If a request form is given to ELS by the event coordinator and needs to be amended for approval by ELS, it will be given to the event coordinator to meet with the requesting party to amend.

COMPLAINTS: There are complaint forms in the clubhouse, all complaints are anonymous and remain so at all times. Any complaint form not filled out completely can not be acted upon (Must be signed).

BINGO: Bingo is for residents only unless stated and listed on the event request form presented for approval. The requesting party is responsible for all non residents attending bingo.

KITCHENS: All clubhouse and hospitality house kitchens are for the use of the residents during events. The food prepared there for events can not be sold.

SPEED BUMPS: There will be additional speed bumps installed on various roads in the community.

ROBO CALL: The 405 and 855 prefix is the prefix for the ROBO calls, this system uses many different phone numbers with this prefix, so do not block calls with this prefix.

The floor was then opened to residents for questions and comments.

1. Micki Owens - Monday morning coffee supplies, who purchases or reimburses them for the supplies.
2. Anita Shoemaker - Have we had any updates from the rent negotiating committee.
3. Toni Palmisano - Parking, no places for overnight or party guests to park, can you park in the grass? Can you park in the streets? Why can we not utilize the parking at either the clubhouse or the area near the hospitality house for party and overnight guests?
4. Judi Bartock - When will our fountains be fixed and operational?
5. Joana Benson - The hedge at the back pool was trimmed very poorly by the mowing crew. It used to be nice and even, now it is an uneven mess.

Sue Held then made an announcement about the 250th Anniversary Celebration

There being no further business the meeting was adjourned at 8:05 p.m.

Buy a brick to honor a Vet

The Buccaneer Homeowners Association wants to remind everyone about the **Buy A Brick Program**.

This is a dignified way of remembering and honoring a living or deceased individual or relative who has served our country in the military.

The engraved bricks in Buccaneer Estates comprise the walkway up to and around the peaceful fountain in the Veterans Memorial Garden just to the right of the Club House.

To reserve a permanent 4" x 8" brick to be engraved with your information contact Sue Held at 239-776-0418
