Hello October!

As we begin to welcome back our seasonal residents and hope the weather here finally breaks soon, we are excited to begin looking forward to start the season as well as working with ELS to bring back events to the community!

I would also like to thank Kay Cook and the rest of our BHA team for caring for the park while I was away over the summer.

We have established our next face to face with ELS which is scheduled for 11 a.m. October 22.

Our BHA meetings for October will be held at 9:30 a.m. Monday October 5 in the Hospitality House as well as 7 p.m. October 19, also in the Hospitality House.

Our Homeowners meeting will be held at 7 p.m. October 12 in the Club House. The BHA Board Members welcome all to come early at 6 p.m. and greet others and pick up Resident Directories.

AWESOME PHOTOS, PLEASE!

It has been decided that the cover of the 2027 Buccaneer Estates Resident Directory will be selected from entries from residents. Entries will be gathered and the finalists will be voted on prior to the publication of the Directory next March. Please pick your best and submit it to the BHA Bd for consideration by emailing it to Kay E. Cook at Patriotnews1995@gmail.com . NO A/I allowed! Deadline for submission will be advertised in the Newsletter no later than February 2027

President's Report - Chris Follis

Old Business

The residents were aware of a meeting to be held between the new board and ELS.

Residents want a list of goals the board is attempting to achieve by the September Homeowner's meeting.

New Business

The following items were discussed with ELS in a meeting held on April 23, 2026. This meeting was attended by ELS (Michelle, Tracie, and Scott) and BHA board members (Chris and Viki).

COMMUNICATION: ELS will meet with BHA board members quarterly, 24 hours prior to the scheduled meeting a list of questions and issues to be discussed will be sent to ELS. ELS is also requesting a list of board members attending the meeting. ELS is requesting one person from the board be designated to handle all communications with ELS.

GATES: The new phone system changed how the gate system worked and had to be changed. The new gate system is close to completion, around 95% complete at this time. There are cameras at the gates that monitor all traffic coming and going. Anyone hitting or damaging a gate will be contacted, the cost is between \$5,000 and \$20,000 depending on which gate was hit and the extent of the damage. If the homeowner does not have vehicle insurance to cover the repair and they refuse to pay for the damages then they will be given a 7 day notice to pay. After that a 30 day eviction notice will be issued and the amount of the repair added to their ledger.

LAWNS: There are different crews handling different areas of lawn care. Trimming is done after the mowing crew goes through. ELS has had meetings with the new crews about where they need to change their trimming procedures.. The lawn crews will not be responsible for trimming around lawn **ornamentation placed by the homeowner.**

MAILBOXES: The permits for the new mailboxes and the back area fencing were linked into one project. Those permits were received 2 weeks ago and the work has already begun on the new mailboxes and fencing. Once

the mailboxes are installed and the keys given out, ELS will be responsible for the removal of the old mailboxes and they will also cap the electrical connections.

EVENTS: ELS is OK with event requests being given to the event coordinator first, the event coordinator will review the form to ensure it is filled out properly then submit it to ELS for final approval. In the event that ELS receives an event request form first, they will provide a copy of the approved form to the event coordinator. If a request form is given to ELS by the event coordinator and needs to be amended for approval by ELS, it will be given to the event coordinator to meet with the requesting party to amend.

COMPLAINTS: There are complaint forms in the clubhouse, all complaints are anonymous and remain so at all times. Any complaint form not filled out completely can not be acted upon (Must be signed).

BINGO: Bingo is for residents only unless stated and listed on the event request form presented for approval. The requesting party is responsible for all non *residents attending bingo.*

KITCHENS: All clubhouse and hospitality house kitchens are for the use of the residents during events. The food prepared there for events can not be sold.

SPEED BUMPS: There will be additional speed bumps installed on various roads in the community.

ROBO CALL: The 405 and 855 prefix is the prefix for the ROBO calls, this system uses many different phone numbers with this prefix, so do not block calls with this prefix.

The floor was then opened to residents for questions and comments.

Micki Owens - Monday morning coffee supplies, who purchases or reimburses them for the supplies.

Anita Shoemaker - Have we had any updates from the rent negotiating committee.

Toni Palmisano - Parking, no places for overnight or party guests to park, can you park in the grass? Can you park in the streets? Why can we not utilize the parking at either the clubhouse or the area near the hospitality house for party and overnight guests?

Judi Bartock - When will our fountains be fixed and operational?

Joana Benson - The hedge at the back pool was trimmed very poorly by the mowing crew. It used to be nice and even, now it is an uneven mess.

Sue Held then made an announcement about the 250th Anniversary Celebration

There being no further business the meeting was adjourned at 8:05 p.m.

The Committee on Disaster Preparedness has resurrected the CERT Team and invites you to become part of this very important group.

CERT stands for **COMMUNITY EMERGENCY RESPONSE TEAM** a group which meets to educate volunteers about disaster preparedness for the hazards that may impact the area in which we live.

It also trains local volunteers in basic disaster response skills such as fire safety, light search and rescue, team organization, and disaster medical operations.

Your experience in ALL areas is needed and wanted. Age and physical limitations are no issue as volunteers are needed to assist in many capacities. You are encouraged to help the community in this wonderful effort by volunteering.

Please consider joining your neighbors who are already a part of CERT. The group meets 7 to 8 p.m. the second Tuesday of the month at the Hospitality House. Contact Art Harris at 585-260-2057 or Ann Press at 610-639-7798.
